Our Company Profile

Gurvis – Innovative Technologies LLP is a leading Indian manufacturer of smart AV solutions designed for modern classrooms, boardrooms, and public spaces. We specialize in advanced podiums, interactive kiosks, digital signage, and LED display systems. With a focus on innovation, durability, and performance, Gurvis delivers reliable technology solutions that enhance communication, engagement, and productivity across institutions and businesses nationwide.

About Us

At Gurvis, we believe technology should empower communication and simplify presentations. Founded with a vision to deliver high-quality, Made-in-India AV solutions, we combine intelligent design with robust engineering. Our products are crafted to meet the evolving needs of educators, corporate professionals, and government institutions. With strong service support and customization capabilities, we ensure every solution fits perfectly into your space and requirements.

Through Intelligent AV Innovation***

About Our Products

THE BEST WORK FROM US FOR YOU

Gurvis products are engineered to deliver seamless performance, elegant design, and long-term reliability. Our range includes Audio Podiums, Digital Podiums, Mini Podiums, Interactive Kiosks, Digital Signage, and LED Displays. Designed for educational institutions, corporate environments, and public venues, each product integrates advanced technology with user-friendly controls. Built with premium components and backed by service support, our solutions ensure impactful presentations and enhanced audience engagement.

WHY CHOOSE GURVIS ?

Gurvis stands for innovation, reliability, and quality manufacturing. Our products are proudly Made in India and built with premium components to ensure long-term durability. We offer customized solutions tailored to specific requirements, supported by professional installation and dedicated after-sales service. With advanced technology, modern designs, and strong nationwide support, Gurvis delivers trusted AV solutions for institutions and businesses.

AUDIO PODIUM

Key Features

- Premium integrated acoustic system
- Seamless wireless microphone support
- Precision-crafted metal body
- Refined, modern aesthetics
- Designed for commanding presence

Technical Highlights

- High-performance amplifier integration
- Multi-input connectivity (USB, AUX, Mic)
- Advanced internal wiring layout
- Optimized airflow management
- Engineered for enduring clarity

Product Specifications

- In-built amplifier and speaker 50W x 2
- Wired & Wireless Mic with lamp & document space
- USB, Bluetooth, FM, Audio input / output
- Integrated control panel with AC-230V power supply
- Powder Coated Finishing, Metal Body

**POWERFUL SOUND. CONFIDENT
PRESENTATIONS**

INTERACTIVE KIOSK

Key Features

- Intuitive touch-driven experience
- Contemporary luxury design
- Custom-configurable interface
- Built for premium public spaces
- Enhances engagement effortlessly

Technical Highlights

- Full HD display support
- Advanced multimedia connectivity
- Efficient energy architecture
- Reinforced structural casing
- Stable, uninterrupted output

Product Specifications

- Touch Display Size 22" / 24" / 32" / 43" / 55" / 65"
- Windows Intel i3 / i5 / i7 (as per requirement)
- 8/16 GB & 128/256 GB SSD (Expandable) Storage
- USB, HDMI, LAN, Wi-Fi, Bluetooth & Built-in speakers
- 50w x 2 Speakers and AC 220-240V Power Supply
- Mounting - Floor Standing

**TOUCH, EXPLORE

DIGITAL SIGNAGE

Key Features

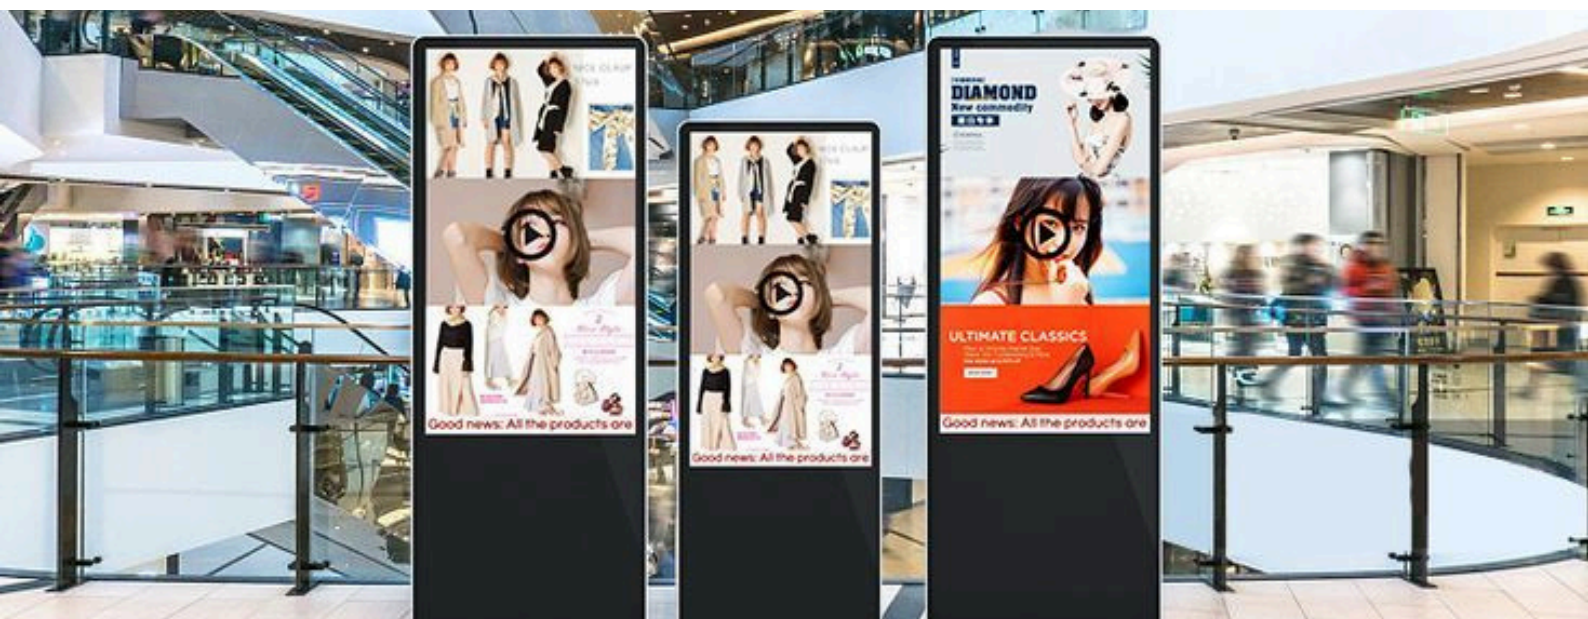

- Dynamic and immersive visuals
- Sleek architectural profile
- High-impact branding solution
- Elegant display integration
- Designed to captivate audiences

Technical Highlights

- High-performance amplifier integration
- Multi-input connectivity (USB, AUX, Mic)
- Advanced internal wiring layout
- Optimized airflow management
- Engineered for enduring clarity
- Floor Mount / Wall Mount

Product Specifications

- Display Size - 32"/43"/55"/65"/75"
(Non-touch / Touch)
- System - Android with 2/4 GB & 16/32 GB Storage
- Resolution - Full HD/4K Optional
- Images, Videos, PDFs, Text, Live Content
- USB, HDMI, LAN, Wi-Fi (optional)
- Metal body with premium finish
- Floor Mount / Wall Mount
- AC 220-240V Power Supply

DIGITAL NOTICEBOARD

Key Features

- Dynamic and immersive visuals
- Sleek architectural profile
- High-impact branding solution
- Elegant display integration
- Designed to captivate audiences

Technical Highlights

- High-performance amplifier integration
- Multi-input connectivity (USB, AUX, Mic)
